COMPREHENSIVE VIRTUAL CARE THAT YOU CAN **TRUST**

Proudly Serving over  
90,000 Employees and  
their Families

## Why Us

We are **the** trusted Virtual Care provider  
for Employers across Canada.

- Providing **24/7/365 access** to our Doctors and Specialists in minutes.
- Comprehensive post visit follow up care from our **Care Team**.
- And, a truly **personalized** healthcare experience that places the patient first.

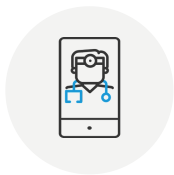

**A PATIENT FIRST  
APPROACH TO  
HEALTHCARE**

# Why Now

Long wait times and poor access to healthcare have become normal to most Canadians, leading many progressive organizations to proactively look for alternatives for their Employees. The recent Covid pandemic has created a heightened sense of urgency, and increased the uptake of virtual health solutions being added to health and wellness plans. **Basic drug, dental, and para care no longer show you have the best benefits.** Employees want solutions that are mobile, health and wellness enhancing and that make a difference in their lives.
